Personal information

Name   Mikko Elias Piuhola
Born in   4th April 1992, Helsinki

Education

Bachelor of Engineering, Media Technology
Metropolia University of Applied Sciences, Espoo   begun 1st August 2012, estimated graduation year 2016
Major: Digital media

Finnish Matriculation Examination
Sipoon lukio, Sipoo   31st May 2011

Work experience

Practical Training, sales and e-commerce
Moymore Oy, Järvenpää   from 17th October to 17th December 2011   2 months
I managed the client registry and was responsible for initial design of a new website.

Summer Trainee
GE Healthcare Finland Oy, Helsinki   from 2nd May to 30th September 2011   5 months
                                                from 7th June to 6th August 2010   2 months
My tasks included patient monitor assembly and quality assurance, and shelving of incoming material.

Youth Instructor
Sipoon suomalainen seurakunta, Sipoo   summer 2008   3 weeks
I worked as a youth instructor on two separate children's camps, one held in Halliste, Estonia and one in the Sipoo archipelago.

Practical Training, advertising
AC-mainos Oy, Helsinki   from 29th October to 9th November 2007   2 weeks
My training included tasks similar to an Art Director's assistant's, such as retouching, product photography and layout work for print-ready-PDFs.

Mailman
Jakelujuniorit Oy, Tuusula   from 9th June to 31st July 2007   2 months
I delivered advertising mail once a week to my local neighbourhood.
